

*"I love the fact that we've been able to customize SmartSearch to meet our organization's needs. It is very easy to get people on the phone to help improve our results."*

~  
**Jeff DeMordaunt**  
**Ardent Health Services**

*I've been a customer of SmartSearch for over four years. They're great to work with and know the industry very well."*

~  
**Jose Carbia**  
**Scholastic Book Fair**

*"Although the application is completely user-friendly, the training, customer and technical support has been wonderful. I could not be happier with my choice!"*

~  
**Margie Benites**  
**Casino Arizona**

*"I replaced my ATS system with SmartSearch and net my company a savings of almost \$20,000 a year! What we saved was nothing compared to the functionality we gained. I'm now a returning customer initiating my company with its first ATS and I know from experience the time and money I'll save by choosing SmartSearch will put more money into the recruiting budget for other resources."*

~  
**Densie Warren**  
**P-Cubed**

*"This has been the smoothest implementation I have done in the last 10 years."*

~  
**Jim Lemke**  
**Opportunity International**

*"SmartSearch sets the standard for others to try to emulate. They have consistently exceeded our expectations with respect to product functionality and customer service. This is a must-have system for Agency and Corporate Recruiters alike."*

~  
**Tim N. Turner**  
**Mustang Engineering**

*"We've been very pleased with our choice of SmartSearch, we felt it was best combination of functionality, performance and price. It was a major step forward for our organization."*

~  
**Steve Csotty**  
**Wilson Miller**

*SmartSearch has helped us become much more effective, and enables us to put more candidates in play faster, and foster stronger relationships with hiring managers.*

~  
**Cindy Peterson Hash**  
**Inter-Tel**
